

Our Vision and Mission Statement

At St. Luke's we aim to have a Christian atmosphere where staff and children work together to create a happy, safe, caring and stimulating learning environment in partnership with parents, governors and the wider community.

We aim to encourage excellence where everyone in the school community may develop their potential to the full, take responsibility and show respect for themselves, others and the environment, upholding Christian values.

We will achieve this through a broad and balanced curriculum combined with high quality teaching and learning experiences in a well resourced school which encourages creativity, co-operation, celebrates diversity and where individual efforts are valued and celebrated.

Our School Code

We try to be followers of Jesus in all that we do.

We care for each other

We care for ourselves

We care for our property

We care for our school environment

We respect adults in our school community

We work hard

We use our time well
